

Dear Hedgehog Champion,

Thank you so much for volunteering to get involved with the fight to save Britain's declining hedgehogs.

The Hedgehog Street website has lots of free resources you can download and share to help you spread the word...

These are:

- A free downloadable **hedgehog talk** on Powerpoint with accompanying notes
- **Step by step guidance** on recruiting neighbours to help
- **Top Tips Flyers** to give to neighbours inviting them to join in with Hedgehog Street (don't forget to add your name)
- **Action cards** - guidance on things you can do in your garden to help
- Hedgehog **factsheets**
- **Posters** to place in your window, pub, local shop or village hall - you can add your name and contact details if you want people to get in touch

Please visit our website regularly and add all your Hedgehog Street images and experiences to our gallery and forum to encourage others to join in the campaign.

Thank you for your help.
